A PITCHERS' BATTLE. Locals Defeated Bethlehem 5 to 1 In a Snappy Game—St. Johnsbury Has Solved Littleton.

A keen pitchers' battle was witnessed by a good sized crowd at the campus Saturday afternoon when the locals entertained the speedy Bethlehem team. Costello and Keefe were the opposing box men and although the visitors put up a heady and classy performance, "Danny" proved just a shade better and the locals pulled out winners to the tune of 5 to 1. Costello's wildness proved his undoing and but for this the score would have been much closer. The visitor had two wild pitches, four batsmen hit and four free trips charged up against him, but at that he worked well the entire distance.

It was a snappy game with many thrilling plays and several exciting situations which set the fans on edge.
For five innings the score man was kept busy hunting up zero marks as the only tally during this time was a small one on the St. Johnsbury side. In the sixth he added another to this one but the visitors had a row of seven goose eggs before they sent a man across the pan in the eighth session.

This point by Bethlehem evidently worked on the nerves of the local men who hardly dared to lay off with a one run margin and in their half of the frame they went out after a few more. Three was the result of their rally and there the scoring ended. The score:

BEAT LITTLETON AGAIN. Two Costly Errors Helped in Score of 9 to 5 for the Locals.

For the fifth time this season the local ball tossers humbled Littleton last Thursday, the score reading 9 to 5. Weaver, who has performed for and against St. Johnsbury, was at his best in the leading role Thursday and kept Littleton's 12 hits well scattered. A couple of costly errors helped the New Hampshire lads. "Pat" Willard and Sturtevant were sent to the firing line by Capt. Spillane, but both men were serving them up bigger than balloons and Moore's huskies batted them to all corners of the lot. The series between these two teams now stands five and one and if there is anyone who is not convinced of St. Johnsbury superiority over their old rivals, he must be skeptical indeed. The score.

WHEELOCK Much Damage by Heavy Showers Wednesday Night—New Town Officers.

(Mrs. G. L. Gerry, correspondent.)
One of the worst storms for many years visited this place last Wednesday night. It commenced raining in the evening and at about 7:00 a. m. what seemed to have been a cloud burst came. The culverts soon filled with stones and dirt washed down and the water then tore down the road washing the hill by L. A. Buck's creamery, leaving holes that took tons of stone to fill. It then swept across to Mr. Buck's yard depositing sand, mud and stones in his yard, rushed by to Mr. Dana's yard filling that with mud and stones undetermined the house, filling the cellar with mud and water destroying much that was in the cellar. It will cost hundreds of dollars to put the roads where they were before the storm.

J. B. Ripley and family motored to Stanstead, P. Q., last Sunday.
G. L. Gerry and wife have had for guests the past week their children and grand children, Mrs. W. C. Gerry of Franklin, N. H., and son, Robert, Mrs. B. L. Gerry and daughter, Lena, of Lyndonville.

At the special town meeting last Saturday the following officers were elected to fill vacancies caused by the resignation of D. M. McLean and Lyman Brown who are soon to move from town. School directors S. W. Drake and Mrs. Lucy Weed. Overseer, Fred Hoffman. L. N. Cree was elected trustee for the Ferd Chase fund to care for the park and soldier's monument.

Mrs. Alex Dwyer entertained her sister, Mrs. Carl Bean and children of Glover last Thursday.
Remember the Grange picnic at the Old Red School House at South Wheelock next Saturday. All invited whether Grangers or not. A picnic dinner will be served.

ACADEMY NEWS.

Mr. Carlin Has New Position—Principal Benedict Back at Work.
Seth B. Carlin has resigned from the faculty of the St. Johnsbury Academy to accept a position in the West High School at Rochester, N. Y. This new position brings to him not only a marked increase in salary, but decided opportunities for advancement in his profession. Mr. Carlin has been a member of the Academy faculty for two years. He has proven himself to be a thorough and efficient teacher. He combines with his teaching ability a geniality of manner and address which have made him a favorite with both faculty and students.

Principal Martin G. Benedict and Mrs. Benedict have returned from a month's vacation spent at Bald Mountain and Vinal Haven, Me. Dr. Benedict is now getting ready for the opening of the Academy, registration day being Monday, September 6. Recitations begin September 7.

Mission Notes.
It is surprising to see how the attendance at the cottage meetings keeps increasing during the extremely hot weather. This week Tuesday the meeting will be at the home of Mr. and Mrs. Colby, 5 Pine street. Friday night with Mr. and Mrs. William Pocock, Fairbanks village.
Next Sunday we will have our usual open air meeting on the Bulard lot at five o'clock, if the weather

is unfavorable for an open air the meeting will be in the Please-U Theater. We are to have with us at this meeting the Colored Jubilee Singers of Atlanta University, and it is expected the Rev. Peter Black, a former pastor of Grace Methodist church of this city, will be the speaker. Please don't forget Sunday, August 8, at 5:00 p. m.

THE STANDARDIZED COLE 8 1916 MODELS Now Ready

THE FIRST QUALITY you notice in the 1916 Cole Eight, when you get it on the road, is its unusual poise—no side-swerve, no tendency for the rear wheels to leave the road or bounce about. This is due to three things—the steadiness of the motor, the car's low center of gravity, and the Cole direct drive, which amounts to a built-in shock absorber.

The driver of a Cole Eight enjoys the ride along with the others—he doesn't have to hold himself always ready to shift into second or to put on the brakes for the bumps. The peculiar poise of the Cole Eight emancipates him from strain—mental and physical—and the other passengers from jars, jolts and jerks.

Cole Eight has full seven-passenger capacity, a wheelbase of 126 inches, weighs less than 3,500 pounds, road ready, and in it all of the modern luxuries of motor car design are included.

Such as aisleway front seats, out-of-the-way auxiliary seats, tire pump operated from the driver's seat, and electric starter worked by a simple small foot button. Everything about Cole Eight is simple and get-at-able.
